### Skyline Equipment earns 2016 Sports Laundry Systems® Distributor of the Year award

Oshkosh, Wis.—Skyline Equipment Inc. (Skyline), in Houston, was recently named the Sports Laundry Systems® Distributor of the Year for superior product distribution and support. Sports Laundry Systems clean and disinfect athletic laundry by eliminating 99.9 percent of bacteria, viruses and superbugs, including MRSA, in the wash.

Skyline – providing on-premise and vended laundry equipment distribution for more than 40 years – is a veteran company boasting a full array of laundry consulting services, parts and equipment to benefit customers within their Texas territory. “They’ve worked hard to support and sell the Sports Laundry Systems brand to athletic facilities, colleges and high schools throughout their territory,” said Steve Leib, national sales manager. “In doing so, they have achieved unprecedented success.”

Operating from a 10,000-square-foot facility, Skyline is known for its large parts inventory, quick turn-around and quality service. Find out more about Skyline at [www.skylineequipmentco.com](http://www.skylineequipmentco.com) or call 800-444-1227.

Discover more about Sports Laundry Systems at [www.sportslaundry.com](http://www.sportslaundry.com) or call 920-230-8550.

The Sports Laundry System, engineered for durability and years of continued use, is backed by an industry-leading factory warranty. Engineered for efficiency, the System also qualifies for Leadership in Energy and Environmental Design (LEED) credits, which can contribute to LEED certification.
