### Integrity Laundry Solutions earns 2013 Sports Laundry Systems™ Distributor of the Year Award

Oshkosh, Wis.-- Integrity Laundry Solutions LLC (Integrity), in Walla Walla, Wash., was recently named the first ever Sports Laundry Systems™ Distributor of the Year for superior product distribution and support. Sports Laundry Systems clean and disinfect athletic laundry by eliminating 99.9 percent of bacteria, viruses and superbugs, including MRSA, in the wash.

Founded by Greg Tompkins, Integrity distributes on-premise and vended laundry equipment throughout Washington and Oregon. During 2013, the company successfully launched and distributed a number of Sports Laundry Systems throughout its territory – installing them in athletic facilities such as Walla Walla Community College, in Walla Walla Washington.

“Greg and the Integrity team are effective in everything they do – from parts and service to product distribution,” said Steve Leib, Sports Laundry System national sales manager. “They take the lead, provide outstanding service and work hard to help athletic facilities improve laundry productivity, cut utility usage and costs and disinfect athletic uniforms, loops and towels.”
